SECTION-I

Government of India
Department of Revenue
Central Board of Excise and Customs
Directorate of Logistics

4th Floor, 'A' Wing, Lok Nayak Bhawan, Khan Market, New Delhi 110 511.

Instructions to Bidders and General Conditions of Contract

1. The President of India acting through Commissioner, Directorate of Logistics, Customs & Central Excise, Ministry of Finance, Department of Revenue, 4th Floor, 'A' wing, Lok Nayak Bhawan, Khan Market, New Delhi 110 511 (hereinafter referred to as the Directorate) invites e-tenders under two bid system in the prescribed form for **repair / overhaul of machineries / equipment, as listed in Annexure I of this tender, on as is where is basis**, installed onboard Category-I Vessel No. 15 of CBEC **and make them fully operational**, from the **Original Equipment Manufacturer (OEM)** of these machineries/equipment, or their authorised Representatives in India, or other interested parties having experience & expertise in undertaking repair of such machineries and equipment and having a valid MoU / Letter of Support, signed by the OEM or its authorised Representatives in India, for providing necessary support for supply of genuine spare parts and services for repair of these machineries / equipment. The same is to be enclosed with the technical bid.
2. The tender shall remain valid for acceptance for a period of 180 days (One hundred eighty days) from the date of tender opening, prescribed in the tender document. If any tenderer withdraws their tender before this period or makes any modification in the terms and conditions of the tender, which are not acceptable to the Department, the Commissioner, Directorate of Logistics, without prejudice to any other right or remedy, shall be at liberty to reject the tender and forfeit the EMD.
3. The successful tenderer would be required to enter into a Contract (hereinafter referred to as Repair Contract) as per format in Form -1A.
4. The tenderers should go through the terms & conditions contained in the Section-II and draft Repair contract (Form -1A) which shall be deemed to be part of this notice and shall sign each page of the Repair contract as token of acceptance.

Definitions:

The following definitions used in these documents shall have the meaning as indicated below:

(i) "Directorate" means the President of India acting through Commissioner, Directorate of Logistics, Customs & Central Excise, Ministry of Finance, Department of Revenue, 4th Floor, 'A' wing, Lok Nayak Bhawan, Khan Market, New Delhi 110511 and includes his successors in office, nominees, authorized representatives.

(ii) "Tender" means quotation / bid received from a tenderer.

(iii) "Contract" means the written agreement entered into between the Directorate and the Repairing Agency together with all the documents mentioned therein and including all attachments, Forms etc. therein.

(iv) "Contractor" means the company or the firm undertaking the repairs on the subject machineries / equipment.

(v) "User Commissionerate" means those Offices of the Department under whose jurisdiction the boat(s) are to be repaired as detailed in Annexure I.

(vi) Earnest Money Deposit (EMD) means monetary guarantee to be furnished by the tenderer along with its tender.

(vii) "Performance Bank Guarantee (PBG)" means monetary guarantee to be furnished by the successful tenderer for due performance of the terms of contract.

(viii) "Test / Trials" means such tests as prescribed in specifications of machineries/equipment/ systems by OEMs, towards successful operationalization of the subject machineries / equipment post repairs.

(ix) L1 means the bidder whose tender is the lowest.

5. Earnest Money Deposit

5.1 Bid must be accompanied by an Earnest Money Deposit (EMD) for Rs.15,000/- (Rupees Fifteen Thousand only) in the form of Bank Guarantee from any scheduled commercial bank in India, as per format given in Form-3, in favour of the "PAO, O/o the Pr. C.C.A., C.B.E.C., New Delhi". The EMD shall be valid for a period of 45 days beyond the validity period of the tender. Tenders without the requisite EMD shall be rejected. No interest shall be paid on the EMD.

5.2 EMD is required to be submitted at Directorate of Logistics, New Delhi, by 16.04.2018 at **1300 hrs**. Scanned copy of EMD is required to be uploaded along with Technical bid.

5.3 As per extant instructions, exemptions granted to tenderers who are currently registered and, also, will continue to remain registered during the tender validity period with the erstwhile Directorate General of Supplies & Disposals (DG&SD) or with National Small Industries Corporation (NSIC), New Delhi, will continue. Such tenderers are exempted from payment of earnest money. In case the tenderer falls in these categories for the tendered services, they should furnish certified copy of its valid registration details (with DGS&D or NSIC, as the case may be) clearly specifying the details of items for which they are registered.

5.4 Unsuccessful tenderer's earnest money will be returned, without any interest, to them not later than 45 days after the expiry of the tender validity period. Successful tenderer's earnest money will be returned without any interest, after receipt of Performance Bank Guarantee (as per clause 15 of Section I), from that tenderer.

5.5 Earnest money of a tenderer will be forfeited, if the tenderer withdraws or amends its tender or impairs or derogates from the tender in any respect within the period of validity of its tender.

6. The price shall be quoted in Indian rupees only.

7. The tender and all subsequent correspondence shall be in English.

8. The tenderer shall bear all costs and expenditure incurred and / or to be incurred by it in connection with its tender including preparation, mailing and submission of its tender and for subsequent processing of the same. The Directorate will, in no case be responsible or liable for any such cost, expenditure, etc. regardless of the conduct or outcome of the tendering process.

9. Amendments to Tender Enquiry Documents

9.1 Directorate may, at any time prior to the deadline for submission of tenders, for any reason, whether at its own initiative or in response to a clarification requested by a prospective tenderer, modify the Tender Documents by issuance of Addenda or Corrigenda. They can be downloaded from the website www.cbec.gov.in or <https://eprocure.gov.in> or www.dolcbec.gov.in.

9.2 All such amendments shall be binding on the tenderer. The tender document shall be deemed to be amended only by way of the amendments mentioned above. Any other communication issued to the tenderers shall not be construed as an amendment to the Tender Documents.

9.3 In order to give the prospective tenderer reasonable time to prepare their tenders as per the amendment, the Directorate may, at its discretion extend the deadline for the submission of tenders and other allied time frames, which are linked with that deadline.

10. Documents Comprising the Tender

10.1 The Tender shall be submitted online in two covers. First cover will contain Technical Bid and second cover will contain Price Bid.

(a) Technical Bid: The technical bid i.e. first cover, shall, inter alia, contain the following:

- (i) Scanned copy of Tender Fee; and Earnest Money furnished in accordance with clause 5.1 or, documentary evidence as per clause 5.3 of Section-I for claiming exemption from payment of earnest money.
- (ii) Tender Form as per Form-1.
- (iii) Acceptance of Draft Repair Contract prescribed in Form -1A.
- (iv) Power of Attorney of firm / resolution of Board of Directors of company for person authorized to submit Tender bid under his Digital Signature;
- (v) Copies of documents defining constitution and legal status of the tenderer;
- (vi) Certified published annual reports for the last three years showing the turnover and financial results of the Tenderer;
- (vii) Documentary proof to show that the tenderer is OEM itself or authorised rep of the OEM or in the business of undertaking repairs of the above mentioned machineries / equipment, having MoU / Letter of Support signed with the OEMs or its authorised Representatives in India, for providing necessary support for supply of genuine spare parts and services for repair of these machineries / equipment.

10.2 Indication of the bid price in the Technical bid directly or indirectly will render the entire bid invalid.

10.3 On acceptance of the tender, the name, address and phone no. of the accredited representative(s) of the Tenderer who would be responsible for taking instructions from the Additional Director (Marine) shall be communicated to this office within one week of the acceptance of tender.

10.4 Canvassing or influencing directly or indirectly in connection with tender is strictly prohibited and the tender, submitted by the bidder who resort to canvassing / influencing, will be liable to rejection.

Note. A tenderer, who does not fulfill any of the above requirements and / or gives evasive information / reply against any such requirement, shall be liable to be ignored and rejected.

(b) Price Bid:

(i) In the Price bid, the tenderer shall quote the price for repair of each machinery / equipment (as listed in this tender), separately, and should be inclusive of all spares and other allied charges, but exclusive of taxes. In addition, the gross total for undertaking repairs to all machinery and equipment (as listed in this tender), for the complete boat is also to be indicated. **All machineries and its auxiliaries, as mentioned in the tender, shall be repaired and made fully operational by the Contractor within the quoted price bid.**

(ii) Once the contract is issued, no subsequent growth of work and issue of additional payment will be entertained.

(iii) The charges quoted above shall be exclusive of GST or any tax, if applicable, which shall be reimbursed as per actuals on production of proof of payments.

(iv) All amounts should be rounded off and quoted only in Indian Rupees.

(v) Special care should be taken to write the amounts. They should be written both in figures as well as in words, in such a way that there is no ambiguity. In case of ambiguity in the amounts quoted in figures & words, the amounts quoted in words shall be taken as amounts quoted for the bid.

(vi) No deviation from above pattern would be allowed. However, if there are any compelling reasons for any deviation the same may be specifically spelt out.

11. Opening of Tender

11.1 The Directorate will open the Technical bids at **1500 hours on 17.04.2018 online on CPP Portal website <https://.eprocure.gov.in>**. In case, the specified date of tender opening falls on / is subsequently declared a holiday or closed day for the Purchaser, the tenders will be opened at the appointed time and place on the next working day.

11.2 Physical presence of the bidder at the time of opening of the tender will not be essential in the e-tendering process. At the appointed time, the bid openers would open the bids online and the details of technical bids offered by the bidders would be known to all bidders on the CPP Portal.

11.3 The first cover, i.e., Technical bids will be opened first. These bids will be scrutinized and evaluated with reference to parameters prescribed in the tender document.

11.4 The second cover, i.e. price bids of only technically acceptable offers shall be opened and evaluated. The price bids of all the Tenderers, whose technical proposals have been found acceptable, will be opened online. Presence of bidders is not required at the time of opening of the Price Bids.

12. **Selection and Evaluation**

12.1 The tenders will first be scrutinized to determine whether they are complete and meet the essential and important requirements, conditions etc. as prescribed in the tender enquiry document. The tenders, which do not meet the basic requirements, are liable to be treated as unresponsive and ignored.

12.2 Evaluation of the Technical Bids shall be carried out by Committee, to assess the following:

- a) Is the bidder eligible and qualified to submit the tenders?
- b) Does the tender conform to all the Instructions to Tenderers?
- c) Are the services offered as per the tender requirement?
- d) Is the bidder capable of providing the services?

12.3 The Price bids of only such tenderers, who qualify on technical criteria will be opened by the officers, nominated by the competent authority and will be evaluated by the Committee.

12.4 If there is a discrepancy between the amount expressed in words and figures, the amount in words shall prevail. If, as per the judgement of the Directorate, there is any such arithmetical discrepancy in a tender, the same will be suitably conveyed to the tenderer by registered / speed post. If the tenderer does not agree to the observation of the Directorate, the tender is liable to be ignored.

13. **Selection of L1 Bidder and Award of Contract**

13.1 The firm quoting the lowest bid for the tender will be declared as the L1 bidder

and contract awarded accordingly.

13.2 Before expiry of the tender validity period, the Directorate will notify the successful tenderer(s) online as well as in writing, by registered letter/ speed post/fax.

13.2 The name and address of the successful tenderer receiving the contract will be displayed on the website of the Directorate, www.cbec.gov.in or <https://eprocure.gov.in>; www.dolcbec.gov.in.

13.3 After notification of award, the Directorate will mail the contract form to the successful tenderer by registered letter/ speed post for signing.

13.4 Preferably within Two week from the date of award, a contract / agreement will be signed between Contractor and Directorate in the office of the Commissioner, Directorate of Logistics, at mutually convenient time and date.

14. Performance Bank Guarantee (PBG)

14.1 The successful tenderer would be required to furnish a Performance Bank Guarantee (PBG) in the form of Bank guarantee by a Nationalised scheduled commercial bank for an amount equivalent to 10% of the total cost of the contract as per Form -4, within one week from the date of the award.

14.2 The PBG will be valid for 45 days beyond the expiry of the guarantee period.

14.3 Failure of the successful tenderer in providing performance Bank Guarantee (PBG) and / or returning the contract copy duly signed, shall make the tenderer liable for forfeiture of its EMD and, also, for further actions by the Directorate against it.

15. Directorate's Right to accept any Tender and to reject any or All Tenders

15.1 The Directorate reserves the right to accept in part or in full any tender or reject any tender without assigning any reason or to cancel the tendering process and reject all tenders at any time prior to award of contract, without incurring any liability, whatsoever to the affected tenderer or tenderers.

15.2 The Directorate reserves the right to disqualify any one or more tenderer on the grounds of national security and public interest.

16. In case any Tenderer participating in this tender submits false information, the tender submitted by such Tenderer shall be rejected and EMD submitted by the tenderer will be forfeited.

17. In the event of the tender being submitted by a partnership firm, it should be signed separately by each partner thereof, or in the event of the absence of any partner, by a person holding a power of attorney authorizing him to do so. Such power of attorney is to be produced with the tender and it must establish that the firm is duly registered. Tender submitted by a Company should be signed by a person duly authorised under the Company Law. Each and every signature shall be witnessed separately.

18. The Tenderer should sign each page of the tender document. A person signing the tender or any other documents in respect of the contract on behalf of the tenderer without disclosing his authority to do so shall be deemed to warrant that he has authority to bind the tenderer. If it is discovered at any point of time that the person signing so had no authority to do so, the Directorate may, without prejudice to any other right or remedy, cancel the contract and get this work done at the risk and cost of such person and hold such person liable to the Directorate for all costs and damages arising from the cancellation of the contract including any loss which the Directorate may sustain on account of such arrangement.

19. Silence or use of the word "Noted" against any of the terms & condition in the Tender Document shall mean tenderer agrees to comply with that / those conditions of contained in the Tender Document.

20. The acceptance and rejection of a tender will rest entirely with the Directorate who does not bind itself to accept the lowest tender and reserves the right to withdraw the offer / split the order, modify and / or cancel the tender without assigning any reasons whatsoever. All the tenders in which any of the prescribed conditions are not fulfilled or are incomplete in any respect are liable to be rejected.

SECTION - II

QUALIFICATION CRITERIA

Technical Bid

1. Basic Qualification of Tenderers who can Bid.

- (a) Original manufacturers of Equipment/machineries.
- (b) OEM authorised firms.
- (c) Firms having experience & expertise in providing maintenance and repair of such machinery / equipment, having valid MoU / Letter of Support signed with the OEM or its authorised Representatives in India for providing necessary support for supply of genuine spare parts and repair services.

2. Other Mandatory Qualification Criteria.

- (a) Average annual turnover of the tenderer should be at least Rs 2 Crore during the last three financial years i.e. 2014-15, 2015-16 and 2016-17 and should have a positive net worth during the immediate preceding financial year, i.e. 2016-17. Certified and published annual reports of the past three years viz 2014-15, 2015-16 and 2016-17 are to be submitted along with the tender. In case, Indian tenderer does not have a positive net worth as required during the immediate preceding financial year, it should provide a Letter of Comfort from its Bank / lending institutions, indicating to provide necessary financial support (at least 60% of the value of contract) to execute the project as per Form -6.
- (b) The tenderers should have experience in maintenance and repair of such equipment/machineries. The tenderers should have an arrangement / MoU with the OEMs / authorised Indian vendors of the OEMs of machinery/equipment, as specified in the tender, for supply of spares and technical support and the same needs to be submitted. The MoU should be valid for atleast 02 years from the closing date for the submission of this tender.
- (c) The tenderer shall fulfil all the conditions and attach required documentations that are mandatory upto the opening of the Technical Bid.
- (d) Tenderer shall offer one bid only. More than one bid, from the bidder by a combination of direct bid with the OEM, Individual company and through

agent(s) shall not be permitted. An agent participating in the tender on behalf of the tenderer shall not be allowed to quote on behalf of another tenderer.

Financial / Commercial Bid.

3. In the Commercial bid the tenderer shall quote cost for Repair of each machinery/equipment, separately, including all costs involved in repair and indicate total cost of repair of each machinery / equipment as well as gross total for repair of all machineries / equipment, as listed in this tender.

4. The Charges quoted shall be exclusive of GST and Cess, if any, which will be reimbursed as per actuals on production of proof of payments.

5. The L1 for the repair of machineries/ Equipment will be worked out as specified in Clause 13 of Section I under the heading Award of Contract.

SECTION - IV

SCOPE OF WORK AND PAYMENT & OTHER TERMS

1. The Scope of work is as placed at Annexure I.
2. **Spares / OEM Services / Tools & Tackles / Staff Requirements.**
 - (a) All the spares / components as well as services of OEM reps required, if any, during the repair of machineries/ equipment, shall be the responsibility of the Contractor and deemed to be covered within the scope of repair of above machineries/equipment. All hand tools, special tools, cleaning gear, lifting gear, paints, lubricants, coolants etc. are to be provided by the Contractor at their own cost.
 - (b) All the work being undertaken onboard these boats is to be executed by qualified / trained / OEM certified service engineers only. The staff deployed for the work should be adequately skilled to undertake repair of above machineries/ equipment. Further, damage to the machinery / equipment attributable to contractor or his staff will have to be borne by the Contractor. In addition, LD clause would be invoked, if recurring failure / boat downtime is attributable to failure of spares supplied by the Contractor or bad workmanship.
 - (c) The Contractor will be responsible for usage of appropriate gears / tools for undertaking the work. They have to carry out the routines / repairs as per the Scope of Work and should be aware of the specifications / clearances / torque / rating etc. wherever applicable. All tests / calibration equipment used by the Contractor should necessarily possess valid calibration / test certificates of such equipment used onboard towards attending defects / conduct of test / calibration trials. The entire range of instrumentation / sensors fitted on various equipment onboard are to be calibrated, wherever warranted, through an accredited laboratory only. The cost of calibration is deemed to be included in the cost of the Repair. Necessary certificates of calibration are also to be provided.
3. **Guarantee:** The Contractor shall give a 12 (Twelve) month guarantee for workmanship and material defects for repairs carried out under the contract from the date of successful completion of trials. Any defect noticed during the guarantee period due to defective / poor workmanship / sub-standard material shall be rectified free of cost by the Contractor. On receipt of the complaint, the maximum time within which the Contractor should attend the complaint is one week. In case the reported defect(s) can be rectified immediately or within a few days, the same should be rectified accordingly.

In all other cases, the Contractor will give a report to the User Commissionerate about the likely time taken to rectify the defects, after attending the complaints. However, the maximum time that should be taken to rectify the defects, after attending the complaints, is two weeks from the date of attending the complaint. In case spares are to be imported, the time period required for repairs will be intimated by the Contractor to the Directorate and in such cases the time likely to be taken for repairs can be settled mutually. In case, the reported guarantee defects are not completed within the time period mentioned above, liquidated damage (LD) @ Rs.1000/-per week shall be charged from the Contractor till rectification of the defects and will be recovered by invoking the Performance Bank Guarantee for performance. If the defect is affecting the operational availability of the boat, the Directorate shall get the defects rectified by any other agency and amount involved in defect rectification will be recovered by invoking Performance Bank Guarantee. Docking in such case will be to the account of the contractor.

4. In the event Directorate of Logistics observes that repair / rectification work is not progressing or is not as per OEM standards, this Directorate may terminate the Contract after giving notice to the Contractor.

5. **Payment Terms.** The payments towards repair shall be as follows:-

S. No.	Stage	Payment	Documents Required
(a)	I - Advance (on request from the Supplier)	20% of the Contract value (excluding tax).	(a) Proof of order placement of spares on OEM / authorized vendor. (b) Bank Guarantee for an amount equal to the advance sought.
(b)	II -On completion of repairs and Trials	Balance 80% of Contract value and 100% tax amount.	Post completion of satisfactory repairs and acceptance trials and submission of trials documents to that effect as per Annexure -II.

Tax shall be deducted at source as per applicable Indian Law.

6. **Paying Authority.** Government of India, Ministry of Finance, Department of Revenue, Central Board of Excise & Customs through Commissioner, Directorate of Logistics, 4th Floor, 'A' Wing, Lok Nayak Bhawan, Khan Market, New Delhi will be the paying authority for any payment due to the Contractor under this contract as per the payment terms specified at Para 5 above.

7. **Delivery Period / Duration of Work Completion.**

7.1 All the jobs including trials have to be completed within "08 weeks from the date of signing of the contract. Delay in work completion will attract LD as specified in Para 8 below.

7.2 Work is to be undertaken onboard the vessel as far as possible and at the place where the boat is located. In the event of vessel / item is required to be shifted / carried to other places/ workshop/ repair venue, prior intimation and permission of the User Commissionerate is to be taken. All charges for the same have to be borne by the Contractor. The safety and security of the vessel / items will also be the responsibility of the Contractor.

8. **Liquidated Damages (LD).**

8.1 Extension of contracted delivery period / duration of work completion will be at the sole discretion of the Buyer, with applicability of LD clause. In the event of the Contractor's failure to submit the Guarantees, supply the stores/goods, provide the services and conduct trials, installation of equipment, etc as specified in this contract, the Buyer may, at his discretion, withhold any payment until the completion of the contract. The Buyer may also deduct from the Contractor as agreed, liquidated damages to the sum of 0.5% of the contract price of the delayed/undelivered stores/services mentioned above per week or part thereof, subject to the maximum value of the liquidated Damages being not higher than 10% of the value of delayed stores/services.

8.2 In case of further delay in completion of the work beyond 20 weeks the Customer reserves the right to take unilateral action for cancellation of contract and for risk purchase at the cost of the Contractor.

9. **Quality, Inspection and Trials.**

9.1 Quality of work is paramount. Best prevailing shipbuilding/marine industry Practices should be followed throughout the Contract. Contractor will only deploy qualified/experienced manpower to ensure quality, planning and managerial function.

9.2 Ensuring and maintaining quality will be the responsibility of the Contractor. Additional Third Party Inspection or the Services of Professional Certifying Agencies may be mentioned as applicable in respect of items of special use.

9.3 Third party inspection, QC/ Inspection charges and other testing charges, if applicable as per OEM recommendation, are to be borne by contractor. An Inspection cum work completion certificate will be issued by the User Commissionerate on completion of the work.

9.4 **Inspection.** Necessary tests and inspections of the contracted job shall be carried out by a team constituted by the User Commissionerate. The Contractor shall give reasonable notice to the above team well in advance of the date and place of such tests / inspections. The inspection team shall also carry out joint receipt inspection of the equipment / material / spares procured by the Contractor. Shortcoming pointed out during the inspections will have to be made good by the Contractor.

9.5 During the execution of contracted Work and until the delivery thereof, the Customer's representatives shall be given free and ready access to place where related work is being performed, or materials are being processed or stored, including the yards, workshops, stores and offices of the Contractor and premises of Subcontractors who are doing work or storing materials. Notwithstanding any provision in this Article or any other Article in this Contract, the responsibility for the repairs / refit /services/supply as per the scope of work shall rest with the Contractor.

9.6 An Inspection cum work completion certificate, as applicable, will be issued by the User Commissionerate on completion of the work.

9.7 **Authenticity Certificate.** The certificate of authenticity / genuineness should always be furnished by the contractor wherever applicable and whenever asked by this unit, especially with respect to supply of spares.

9.8 **Trials.** The trials will be carried out as per OEM specifications for the specific machinery / equipment.

Risk and Purchase

10. Following are the conditions under Risk and Expense clause:-

(a) Should the stores /spares or any instalment /services thereof not be delivered within the time or times specified in the contract documents, or if defective delivery is made in respect of the stores / services or any instalment thereof, the Directorate shall after granting the Contractor 45 days to cure the breach, be at liberty, without prejudice to the right to recover liquidated damages as a remedy for breach of contract, to declare the contract as cancelled either wholly or to the extent of such default.

(b) Should the stores / spares or any instalment /services thereof not performed in accordance with the specifications / parameters provided by the OEM / Directorate during the inspections to be done by the User Commissionerate, the Directorate shall be at liberty, without prejudice to any other remedies for breach of contract, to cancel the contract wholly or to the extent of such default.

(c) In case of a material breach that was not remedied within 45 days, the Directorate shall, having given the right of first refusal to the Contractor be at liberty to purchase, manufacture, or procure from any other source, as deemed to be fit, other stores of the same or similar description to make good -

(i) Such default.

(ii) In the event of the contract being wholly determined the balance of the spares / services remaining to be delivered there under.

(d) Any excess of the purchase price, cost of manufacturer, any other supplier as the case may be, over the contract balance shall be recoverable from the CONTRACTOR.

11. **Termination of Contract.** The Directorate shall have the right to terminate this Contract in part or in full at any stage without assigning any reason. The contract will also be terminated under following circumstances:-

- (a) The delivery of the material is delayed for causes not attributable to Force Majeure for more than (Three months) after the scheduled date of delivery.
- (b) The Contractor is declared bankrupt or becomes insolvent.
- (c) If ownership of the company becomes a disputed issue and the matter is taken to the court of law.
- (d) The delivery of material is delayed due to causes of Force Majeure by more than (Three months) provided Force Majeure clause is included in contract.
- (e) The Directorate has noticed that the Contractor has utilized the services of any Indian/Foreign agent in getting this contract and paid any commission to such individual/company etc.
- (f) As per decision of the Arbitration Tribunal.
- (g) If the Contractor fails to perform the assigned job, even after extension of the agreed time frame for 3 times or does a poor/ substandard job repeatedly.
- (h) If the firm is under any legal or other disputes.
- (j) The Contractor insists on a change in the contracted price.
- (k) The contractors' employees or contract labour engages in any illegal or unlawful activity while engaged in the performance of this contract.
- (l) In case of suboptimal performance by the Contractor, the Directorate shall issue a show cause notice to the Contractor. In the event of continued inaction by the Contractor despite reminders, the Directorate has the right to terminate the contract immediately.
- (m) In case of short closure, the notice will be sent to the Contractor and if the Contractor fails to respond within 15 days of the acknowledgement, a second notice would be sent. Further, if the Contractor fails to respond within 15 days of

the second acknowledgement it will be counted as acceptance of the short closure and the contract would be short closed.

12. **Resolution of Disputes.** If any difference arises between the Directorate and the Contractor in connection with the contract, it shall be resolved amicably through mutual consultations failing which it shall be referred to the sole arbitration of an Officer in the Ministry of Law and Justice, Government of India, appointed to be the arbitrator by the Secretary, Department of Legal Affairs, Government of India. The award of the arbitrator shall be final and binding on the parties to this contract.

13. **Indemnity.** If any action in court is brought against the Directorate or an officer or agent of the Directorate for the failure or neglect on the part of the Contractor to perform any acts, matters, covenants or things under the Contract, or for damage or injury caused by the alleged omission or negligence of the part of the Contractor, his agent, representatives or his sub-bidders, workman, contractors or employees, the Contractor shall in all such cases indemnify and keep the Directorate and / or its representatives, harmless from all losses, damages, expenses or decrees arising out of such action. All claims regarding indemnity shall survive the termination or expiry of the contract. The Contractor shall, at all times, indemnify and keep indemnified the Directorate, free of cost, against all claims which may arise in respect of goods and services to be provided by the Contractor under the contract.

SECTION - V

FORM - 1 TENDER FORM

(The technical bid should be as per this form)

(Tender Notice No.24/MO/2018 dated 14.03.2018)

Please read the following INSTRUCTIONS carefully before filling up the form.

1. The tenderer should obtain and / or download and carefully examine the above Tender Notice and all its tender enquiry documents (TED), including amendments, if any and unconditionally agree to all the terms and conditions indicated in the tender enquiry documents and subsequent amendments.
2. **The copy of the TED and amendments retained in the records of the Directorate will be deemed authentic in case of any dispute at any stage.**
3. The tenderer should fill in all columns of this Tender Form and enclose supporting documents. The e-tendering process **may permit replacement of shortfall documents, e.g., a document which is not legible but no additional documents can be submitted after the tenders are opened.** Tenderers should therefore submit whatever documents they wish, in support of their tender along with the tender itself.
4. The following tenders shall be ignored:
 - a) Tenders submitted by those who do not meet the qualification criteria
 - b) Tenders sent by fax/telex/cable/email/post/personally delivered.
 - c) Tenders received after the closing date and time
 - d) Tenders that do not meet the basic requirements
 - e) Tenders who have any shortfall documents and the tenderer does not make up the shortfall within the time specified by the purchaser.
 - f) Tenders where, in the opinion of the purchaser, there is an arithmetical inaccuracy in the price bid and the tenderer does not agree with the purchaser
 - g) Incomplete tenders.
 - h) Tenders received without the EMD and processing fee.
5. Any tender may be rejected if:
 - a) The tender form is incomplete.
 - b) The resolution of the Board of Directors of the tenderer company authorizing the person submitting the tender to do so.
 - c) Documents in support of the claims made are not enclosed.
 - d) The bid price is directly or indirectly indicated in the technical bid;
 - e) The Tenderer fails to provide required information or provide incorrect

- information or evasive reply or fails to comply with the instructions in the TED;
- f) The prices are not quoted in the manner indicated in the TED;
 - g) Tender validity is for less than 180 days from the date of opening of tenders as indicated in the TED;
 - h) On verification, the data/credentials furnished by the tenderer are found to be incorrect or any adverse report on its financial condition has come to the knowledge of the purchaser;
 - i) The Tenderer attempts to influence the purchaser's decision during scrutiny, comparison and evaluation of tenders and award of contract;
 - j) The Tenderer is disqualified on the grounds of national security or public interest.
6. The Purchaser is not bound to accept the lowest or any tender that may be received against the above-referred tender enquiry.
 7. The Purchaser may accept any tender at any time before the date of expiry of its validity indicated in the tender form or any date upto which its validity is further extended by the Purchaser.
 8. Until a contract is signed, this tender form submitted by the Tenderer read with its acceptance by the Purchaser constitutes a binding contract between them.
