Sl. No	Query of Bidder	Response of DOL
1.	Your clarification “Serial No 4” where in you have confirmed that “Overall supplies by OEM and his duly authorised distributors/representatives for Videoscope will be considered”, However in Clarification Serial No 33 you have mentioned “Order executed by OEM will not be considered for Distributors” Qualification” prescribed in 1.6 Section VII shall prevail”. So both are contradictory please clarify.	“Order executed by OEM will not be considered for Distributors” Qualification” may be read as :- “Order executed by OEM will be considered for Distributors”
2.	Your Clarification “Serial No 20” your response “Equipment having Lower weight will be preferred This is quite ambiguous and vague and will create lot of confusion	<i>Tender requirement clearly states ‘easy to carry’ which makes that weight should be on lower side. Hence, tender conditions</i>

Sl. No	Query of Bidder	Response of DOL
	<p>and hassles during finalisation of the bid hence request you to please kindly mention the Total System weight without carrying case</p> <p>Sir, in our opinion as per your field application for security and portability equipment should not be more than 3 kgs, which is a standard as it has to be hanged around the neck for continuous operations.</p>	<p><i>stays.</i></p>
3.	<p>Your Clarification "Serial No 32" your response "Image is displayed in Reverse ie "Black becomes White and vice versa.</p> <p><u>Here we would like to inform you that "Inversion feature/ Term in Videoscope technology is to Flip The Image inverted and not to change the Hue & Colour of the Image So please clarify.</u></p>	<p><i>Horizontal and vertical inversion or mirroring of image should be possible.</i></p>
4.	<p>We would also like to inform that we had uploaded Online Query "Snapshot attached" however it could not be found on the portal as well as we had attended the "Pre-bid" conference on March 13th, and raised a very important query from our side in order to have a "Healthy and competitive" bidding so that your esteemed organisation gets the best quality product at competitive pricing</p> <p>The Query was regarding the qualifying criteria in terms of "Bidders Turnover", which you have asked to be "Rs 10 crores average every year for the past 3 years.</p> <p>Here we would like to request you to lower the Turnover criteria to an "Average 3 years turnover of 25% or less of the Tender value , which as per our tender comes to Rs 4.5 crores average of last 3 years as followed by different Government Organisations</p>	<p><i>"It may be noted that the requirement of average annual turnover of Rs, 10 crores is not only from Videoscope supply business but also from other equipment/ systems being supplied by the tenderer or from any other business activity. Hence, tender condition stays."</i></p>

5	<p>Your qualification criteria Section VII clause 1.5 wherein it is mentioned that the tenderer should have average annual turnover at least 10 Crores during each of the last three financial years. In this regard we request you to kindly lower the limit and bring down up to 4 crores average annual turnover because the total equipment actual cost should be around 12 crores. To provide a healthy and maximum bidder participation kindly consider our humble request</p>	<i>Same as Sl.NO. 4 above.</i>
